

IDAPA 31 – IDAHO PUBLIC UTILITIES COMMISSION

31.46.02 - RULES GOVERNING TELECOMMUNICATIONS RELAY SERVICES (TRS)

DOCKET NO. 31-4602-1601

NOTICE OF RULEMAKING - ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is May 1, 2016.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section 61-1306, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

Telecommunication Relay Services (TRS) enable a communications-impaired person to send and receive messages to and from a non-communications-impaired person, using specialized telecommunications equipment. The Commission contracts with a TRS Administrator that requests and evaluates proposals from TRS providers that wish to enter a contract to be a TRS provider for Idaho. The temporary rule was needed to enable the Administrator to proceed with securing a TRS provider, thus ensuring that TRS services could continue. Idaho's TRS program ensures the health, safety, and welfare of deaf and hearing-impaired citizens in Idaho. Without a TRS program, an emergency situation can become fatal if, for example, a hearing-impaired person cannot communicate with first-responder personnel. The Commission understands that this rule may change as a result of the later negotiated rule process.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1)(a), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate to ensure protection of the public health, safety and welfare, specifically Idaho's deaf and hearing-impaired community.

FEE SUMMARY: No fee or charge is imposed or increased by the temporary rule.

Provide a short explanation of the need for this rule:

The current rule establishes a seven (7) member advisory committee comprised specific entities (U.S. West, GTE Northwest, AT&T of the Mtn States, MCI, etc.) for the purpose of formulation RFP for telecommunication relay services. Several of these specific entities either no longer exist, or have changed names/owners, etc. The telecommunications relay services program is required to be administered by 3rd party administrator, who recently issued a new RFP for relay services. This advisory committee, as the rule is currently written cannot be convened to assist in the evaluation of submitted bids/proposals for contract award.

Does this rule adopt amendments to materials previously incorporated by reference? Yes No **Filename:**

Provide a short summary of the changes this rule makes:

This rule eliminates the reference of specific entities to serve on the advisory council, and instead identifies representatives from the following to be named by the Idaho Public Utilities Commission in an official Commission Order: 1. One representative from a large provider of local exchange and intraLATA MTS services in Idaho 2. One representative from an independent telephone company providing local exchange services who is a member of the Idaho Telephone Association (trade group) 3. One representative from the Idaho State Council for the Deaf and Hard of Hearing, or the State Council on Developmental Disabilities. In addition to removing the specific entities and renaming categories of entities, this rule reduces the size of the advisory committee from seven (7) to three (3). The purpose of the advisory committee remains the same, to assist with the assessment of response to the RFP and review of the services provided.

Provide a list of those persons or interested group(s) affected by the rule:

The deaf and hearing impaired community, local exchange carriers, and telecommunication relay providers.

DFM Analyst: Gideon Tolman **Recommendation:** Recommended Not Recommended Pending **Date:** 05/13/2016

Comments:

Although this will go through the proposed rule process, the current contract needs to be renegotiated this summer, so it is going through as temporary as well in order to continue to provide services for hearing impaired citizens.

Fiscal Impact Comments:

There is no fiscal impact.
